

Advanced Manufacturing Technology Advisory Committee Meeting

Date: April 9, 2026

Time: 12:00 pm – 1:00 pm

Place: Zoom/or in person Meeting

- Introductions and roll
- Any questions or comments of minutes from April 10, 2025. Vote for approval.
- Updates:
 - The 11th Annual Celebrate CE (Career Education) event will be held on Friday, May 22, 2026, starting at 5:00 pm. Industry was invited to attend this event. CE would like to invite SRJC alumni to speak at the event.
 - SRJC graduation is Saturday, May 23, 2026, starting at 9:00 am.
 - ITT is hosting a job fair on April 15, 2026, from 11 am -1:30 pm, in the SRJC Lounibos compound. Flyers were distributed with event details. Industry was invited to participate in the event.
 - Updates from the committee and guests.
 - Program updates:
 - I am looking for input from the committee members and other business partners on identifying the skills you need our students to learn to be successful in your industry.
 - I am applying for Strong Workforce Grant money to purchase another metal laser cutting machine.

- We are in the process of awarding the \$16,000 Haas Foundation Grant I was awarded last year to this semester's students.
 - All AMT courses are full or overfull. The online MACH 161, Metallurgy and MACH 162, Blueprint Reading courses continue to be immensely popular and will continue being offered each semester. The last 2 semesters we offered 2 sections of each and they filled immediately.
-
- Still in the need of associate (adjunct) faculty
 - Employment prospectus from guests and members
 - Close meeting
