

Applied Photography Advisory Committee Meeting

November 12, 2024

12:00-1:00 PM

Zoom

Purpose:

- The Applied Photography Advisory Committee supports the SRJC Applied Photography Program by offering their insight and expertise to expand the scope and enhance the quality of the curriculum; particularly in the rapidly evolving field of professional photography.

Objectives:

- Discuss industry insight regarding new equipment and emerging technologies and how it can be utilized in the program
- Discuss local, regional, national, and international opportunities for emerging photographers, specifically internships and employment for our students
