

**Applied Photography Advisory Committee Meeting**  
**November 13, 2025**  
**12:00-1:00 PM**  
**Zoom**

Purpose:

The Applied Photography Advisory Committee supports the SRJC Applied Photography Certificate Program by offering their insight and expertise to expand the scope and enhance the quality of the curriculum; particularly in the rapidly evolving field of professional photography.

Objectives:

Discuss Applied Photography curriculum updates, equipment, software, and facility upgrades, and the Visiting Photographer Program at SRJC.
