Applied Photography Advisory Committee Meeting
May 1, 2025
12:00-1:00 PM
Zoom

Purpose:

- The Applied Photography Advisory Committee supports the SRJC Applied Photography Certificate Program by offering their insight and expertise to expand the scope and enhance the quality of the curriculum; particularly in the rapidly evolving field of professional photography.

Objectives:

- Discuss industry insight regarding artificial intelligence (AI) in digital imaging workflows, professional organizations, portfolio website hosting and design, and the Visiting Photographer Program at SRJC.
