Our Student Speakers

Sarah Ruiz

Raised in Cloverdale, Sarah Ruiz is a proud mother of two and a survivor of domestic violence who has embraced a second chance at life with resilience and determination. She began her journey at Santa Rosa Junior College in 2008, shortly after graduating high school, and chose to return to SRJC because of the flexibility offered through online learning. This option allowed her to continue her education while staying home with her children, a priority close to her heart.

Through hard work and perseverance, she earned a certificate in Business: Real Estate Sales, along with two degrees. These accomplishments have opened the door for her to pursue her real estate license and build a career that will create lasting opportunities for both herself and her children. Her story is one of strength, growth, and hope for the future.

Elaina Dimond

Originally from Fairfield, Elaina Dimond moved to Santa Rosa in 2021 after several years near Los Angeles. Passionate about supporting small businesses, she recently launched Honeycomb Business Solutions to help local entrepreneurs with financial organization and growth.

Seeking a flexible, practical education that aligned with past college coursework, she chose Santa Rosa Junior College for its supportive environment. At SRJC, she earned a Bookkeeper Certificate, a key step in registering her LLC as a certified bookkeeping business in California.

Through coursework in QuickBooks, payroll, and financial reporting, she gained hands-on experience that directly applies to her business. Today, she uses those skills to empower Sonoma County's small business owners to focus on what they love, while Honeycomb supports their financial success.
