

Dietary Manager Advisory Committee
November 7th, 2025 12:00-1:00pm
4061 Race Building and Zoom

Purpose:

The primary purpose of the Dietary Manager Advisory Committee at Santa Rosa Junior College is to assist and provide recommendations to the district in establishing, operating, and evaluating the Dietary Manager Program. The committee’s role is to ensure that the program effectively meets the needs of students and the foodservice industry by providing expertise in nutrition, foodservice management, healthcare dietary operations, and evolving industry standards and technologies.

Objectives:

- To promote collaboration between educators and industry professionals in foodservice and healthcare.
- To support continuous improvement of Career Education opportunities within the Dietary Manager Program.
- To strengthen alignment between the program and industry standards and workforce needs.
- To provide expertise in reviewing curriculum, technology, facilities, budget, student competencies, and job placement outcomes.
