Report on revitalizing of INDE 67 which has been changed to part hand drafting and part Chief Architect
Given Fall 2024 for the first time since revised.

12 Unit Fundamentals of Interior Design is running this Spring for the first time.

Considering toggling the Studio capstone class with Kitchen and Bath
Discussion of what the Studio class INDE 71 should introduce to the students

Hybrid classes being discussed

Voted on this and all were in favor of trying this once the equipment is in place and running well.

Articulation progress to 4 year colleges

Not getting much traction

Voted on this and all were in favor of updating so students would be informed who want to continue their studies

Website

Would like picture of the Advisory Committee

Took a group shot but think we should take individuals photos of each member

Voted to do that next meeting

Enrollment

Did not talk about this because I didn't have current figures

Program Funding

Nothing happening with the list created needs more work

Told Committee I didn't have enough admin help to complete

Employment

Report on current placements and requests.

Gave general details on placement. We have placed 3 students this semester and have request for 2 more.

OPEN FORUM

Your thoughts as industry leaders

Loved the new building and their was a vote to say that we needed to come up with outside events so the public will have an excuse to see the building. They think it will be good for marketing.
