Meeting ID: 840 4357 1146

Purpose Statement: The Water Resources Technical Advisory Committee is a representative group of industry partners whose experience and abilities represent a cross section of water industry professionals. The primary purpose of this advisory committee is to convene a panel of key people from water, education, and workforce development to discuss a collaborative approach to training the next generation of water industry professionals.

Key Objectives:

- to provide an opportunity for discussion among people in education, business, and industry
- to focus on how to improve Career and Education (CE)
- to strive to improve the relationships among CE, business, and industry
- to provide expertise to the program by reviewing curriculum, facilities, budget, student competencies, and student placement in related occupations
