Purpose:

The primary purpose of the local Web Program Advisory Committee is to assist and provide recommendations to the district in establishing, operating, and evaluating programs which serve the needs of students, business and industry, and to provide expertise pertaining to technological and subject matter changes.

Objectives:

- to provide an opportunity for discussion among educators, business and industry
- to focus on how to improve Career Education (CE) opportunities
- to strive to improve the alignment between CE, business and industry
- to provide expertise to the program by reviewing curriculum, technology, facilities, budget, student competencies, and student placement in related occupations
